

# DISCOVER HERMES NutriCaps, THE NEW GENERATION OF FOOD SUPPLEMENTS

HERMES NutriCaps are a novel way to deliver supplements. Compatible with all Nespresso\* hard-pod coffee machines, they are easy to use and to dose, as well as safe and fast to prepare. Like a cup of coffee, they are pleasant to drink – with the potential to become a beloved daily ritual.

HERMES NutriCaps are safe, simple and fast to prepare. Their application is easy and already learned; onerous boiling of water using a kettle becomes obsolete. There is no need to reprogram coffee machine, simply choose “lungo” size (approx. 110 ml).

HERMES NutriCaps can be designed to your specific needs; they come in different flavors and provide a wide range of health benefits:
